Prospect Capital Corporation (PSEC) accepts conversion or redemption requests on a continual basis with deadlines on the 15th (or the preceding business day if the 15th is not a business day) and last business day of every month (each, a conversion or redemption deadline, as applicable). Please allow approximately 15-30 calendar days for processing upon a submission of a conversion or redemption request that is in good order. Requests will be processed twice a month. **PSEC may elect to settle conversions or redemptions of preferred shares in cash or common stock in accordance with the terms of the preferred shares and that decision will be made on an individual conversion or redemption basis.** Any cash proceeds will be remitted based upon instructions provided on this form. The default payment method is via check. A wire can be requested, but a \$100 fee will be deducted from the payment to the shareholder. ACH is not permitted. If proceeds are in the form of common stock, a DWAC (Deposit/ Withdrawal at Custodian) of shares will be remitted based upon instructions provided on this form. On this form, please check an option for both stock or cash payments. Physical certificates will not be remitted to the investor. PSEC's transfer agents may coordinate further with institutions based upon the information provided to properly deliver cash or shares of common stock.

In addition, you may use this form to request that your conversions or redemptions be processed over the next eight conversion or redemption deadlines, as applicable (see Alternative Conversion / Redemption Processing Option in the "Conversion / Redemption Request" section below). The price of our common stock may fluctuate significantly and therefore selection of the Alternative Conversion / Redemption Processing Option will result in averaging over a variety of settlement rates.
