

The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011 and then sold. Shares transferred out of an account will be done using our default cost basis calculation of first in, first out (FIFO) unless otherwise instructed. Please visit our website, review the enclosed FAQ, or consult your tax advisor if you need additional information about cost basis.

- Account Information
- Transferring Shares
- Uncashed Checks
- Transfer Request Form
- Distribution Options
- Stock Certificates
- Medallion Signature Guarantee
- Inheritance Tax Waiver Form and Affidavit of Domicile
- Accessing Investor Center

Account Information

How do I determine the type of shares that the decedent owned?

The share description(s) can be found on an account statement for example: Preferred Series A or Common Stock.

How can I find out the decedent's current share balance?

Refer to the most recent statement or certificate from Computershare.

Transferring Shares

I am listed as a joint investor on the decedent's account. Do I need to transfer the shares to myself to have the decedent's name removed from the account?

Yes. You need to complete a Transfer Request form to transfer the shares to a new account in your name. The surviving investor(s) or a legally authorized representative must sign the "Current Investor's Authorized Signatures" section (section 3) of the form. You must either (1) provide an original death certificate or certified copy, or (2) obtain a Medallion Signature Guarantee for each signature on the form.

What do I do if I want to transfer the decedent's shares to several other parties?

If you are transferring shares to multiple new investors, please photocopy the form sections entitled "Shares to Be Transferred" (section 2), "New Investor / Recipient Account Type" (sections 5 - 9), and the Form W-9 for each new investor. One copy of each of these sections must be filled out for each new investor. Please be sure to clearly write in section 2 of each copy the number of shares (not a %) to be transferred to each new investor.

What do I do if I want to transfer shares of several companies?

You will need to submit a separate completed Transfer Request form, including a Medallion Signature Guarantee, for each company. The enclosed Transfer Request form is for Alternative Investment Products only. If the company requires a different transfer form, please contact customer service to obtain the correct transfer form.

The new investor has an existing account to which I want the shares transferred. Where can I find the account number of the account to which I want to transfer shares? What if I can't find it?

The new investor should be able to obtain the account number from a statement or other document for that account. If you do not have the account number, please provide all the information you have on the Transfer Request form, and note "unable to locate" in section 6, item A for a Custodial / Broker Controlled account and section 8, item A for a Non-Custodial / Not Broker Controlled account so that we know you would like the shares transferred to an existing account. We may or may not be able to do this based on the information provided.

Will account features the decedent previously selected automatically carry over from the old account to the new account?

No. Account features (i.e., direct deposit of dividends, disbursement preferences, reinvestment of dividends or distributions, financial advisor information, etc.) do not carry over to a new account. Once the transfer is complete, the new investor can easily set up his or her account options online after creating a login ID to use Investor Center. Please note, any change in registration, including changing a name, will result in a new account.

What legal documents do I need to submit when requesting a transfer on behalf of another?

The institution from which you obtain a Medallion Signature Guarantee will require documentation to verify your identity, legal authority and capacity. For transfer requests valued at less than \$14 million, Computershare does not require copies of the legal documents; however, we may require other documentation for tax purposes, e.g. a notarized Affidavit of Domicile. If the value of the shares you are transferring exceeds \$14 million, please call us at the customer service number listed on the top right corner of the enclosed Transfer Request form for further requirements. Please note, you will need to sign the Transfer Request form in your capacity (e.g. John Smith, Executor).

Is there a fee to transfer stock?

Computershare does not charge a fee to transfer stock; however you may incur fees from other institutions. For example, you may be charged a fee by the institution that provides the Medallion Signature Guarantee.

Will you return the paperwork I send to you?

All submitted documents will be kept as part of Computershare's permanent records and will not be returned to you.

What do I do if I want to use a different option for transferring the decedent's shares other than FIFO?

Please consult your tax advisor and then contact us at the number listed on the front of this package for further instruction.

What do I do if more than one owner on the account is deceased?

Please indicate the date of death for the most recent decedent. Please consult your tax advisor.

How does the new investor sell shares?

Please refer to the share's prospectus to determine whether shares may be sold and how. Alternative Investment Products typically have a limited secondary sales market and specific rules and guidelines that must be followed in order to sell shares.

How do I request additional transactions or information?

Requests for additional transactions or information for the current investor or the new investor can be requested via our Investor Center website or by contacting us.

Frequently Asked Questions (FAQs)

Uncashed Checks

Can you reissue uncashed checks in the name of the new investor?

No. If any uncashed checks have been lost, we can reissue a check in the name of the original investor. To replace those checks, visit Investor Center and refer to the Investor Center information provided in this FAQ or please call customer service.

Transfer Request Form

Who can I call for help completing the form?

If you still require help after reading the instructions and FAQs contained in this package, you can call us at the customer service number listed on the top right corner of the Transfer Request form.

I can't fit all the information in the space provided. What should I do?

We encourage you to print in block letters to fit in all information. Only write in the space outside of the provided boxes if absolutely necessary.

What are examples of other account type choices for the new investor?

Other common account types include, but are not limited to, community property, Limited Liability Company (LLC), nominee, partnership, tenants by entirety and unincorporated association.

Distribution Options

How will my distributions or dividends get to me?

New Non-Custodial investors will, by default, receive their distributions or dividends by check at the address provided in the New Investor Information (Non-Custodial / Not Broker Controlled) section (section 8).

Unless dividends or distributions are being reinvested or otherwise directed by the Custodian, all Custodial registration distributions will be sent directly to the Custodian for the benefit of the beneficial or underlying investor. Please ensure the "ID / Account Number at Custodian" for the beneficial or underlying investor is included in section 6, item I.

May I elect to have my distributions or dividends paid to me through Direct Deposit into my bank account?

Non-Custodial investors may elect to have their distributions or dividends paid by Direct Deposit into their bank account. To do so, you may contact us at the customer service number listed on the top right corner of the enclosed Transfer Request form, or you follow the easy steps below:

Step 1: Go to www.computershare.com/investor and go to "My Profile"

Step 2: Click on Update under Banking details.

Step 3: Select your specific holding from the drop down.

Step 4: At the bottom of the page, select a "Payment Method."

Step 5: Choose the option that applies to your situation.

Step 6: Provide your banking information when prompted.

Can the new investor enroll in a reinvestment plan for these shares so that the distributions or dividends will be automatically reinvested?

Refer to the share's prospectus to determine whether a reinvestment plan is available and whether the new investor is eligible to enroll in the plan.

Stock Certificates (if applicable)

What if I can't find a stock certificate?

Most Alternative Investment Products do not have certificates, so you should refer to the share's prospectus to determine if a certificate was issued for your shares. If a certificate was issued and you can't find it, please contact us at the customer service number listed on the top right corner of the enclosed Transfer Request form to find out the cost and process for requesting a replacement. The certificate must be replaced prior to transferring the shares.

How should I send the certificate? Should I insure the mailing?

We recommend using registered mail or a courier service that provides a return receipt. We also suggest that you insure the mailing with the carrier for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

Should I sign the back of the certificate before I send it?

No. For your protection, we suggest that you do not sign the back of the certificate when presenting it to us for a transfer.

Medallion Signature Guarantee

What is a Medallion Signature Guarantee? Where can I obtain one?

A Medallion Signature Guarantee is a special stamp provided by a bank, broker, credit union or other institutions (guarantor institutions) that indicates that the individual signing a form is legally authorized to conduct the requested transaction. The guarantor institution should verify the medallion stamp is sufficient to cover the value of assets being transacted upon.

Inheritance Tax Waiver Form and Affidavit of Domicile

When is an Inheritance Tax Waiver form required? How can I obtain one?

An Inheritance Tax Waiver form may be required depending on the decedent's state of legal residence and date of death. A list of the locations that may require this form is below. You can obtain an Inheritance Tax Waiver form and instructions on how to complete the form from the state tax agency of the decedent's state of residence.

Alabama	Montana	Oklahoma
Hawaii	New Jersey	Pennsylvania (if TOD)
Illinois	New York	Puerto Rico
Indiana	North Dakota	Rhode Island
Missouri	Ohio	Tennessee

What if the decedent's state of legal residence does not require an Inheritance Tax Waiver form?

Complete the enclosed Affidavit of Domicile attesting to the decedent's state of residency, and have the completed form notarized. The form is also available through the "Printable Forms" section of the website listed at the beginning of this FAQ document.

Alternatively, you can obtain an Inheritance Tax Waiver stamp, which certifies that no inheritance tax waiver is required. The stamp should be placed next to the authorized signature on the Transfer Request form (section 3) and may be obtained from the same financial institution providing the Medallion Signature Guarantee.

How to complete this form

Backup Withholding

The Internal Revenue Service (IRS) requires us to withhold taxes for the applicable rate of backup withholding for U.S. persons without a W-9 tax certification who are not otherwise exempt. Parties acting as disbursement agents, such as Computershare, must withhold and pay to the IRS the applicable tax rate of such payments under certain conditions. This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, and royalties. Supplying us with your correct Taxpayer Identification Number (TIN), and signing this form will generally allow you to receive your payments without being subject to backup withholding. Failure to supply your TIN, or supplying us with an incorrect TIN, could result in a \$50.00 penalty being assessed by the IRS.

Receipt of a completed Form W-9 will discontinue backup withholding unless otherwise required.
