Instructions *For any help or questions please call 855-422-3223 or email investorservices@pcsalts.com*

Applied Digital Corporation (APLD) accepts conversion or redemption requests on a continual basis with deadlines on the last business day of every month (a conversion or redemption deadline, as applicable). Upon receipt of a conversion or redemption request that is in good order by the conversion or redemption deadlines referenced previously, please allow up to 30 calendar days for processing and subsequent exercise of a conversion or redemption. Requests will be processed once per month. **APLD may elect to settle conversions or redemptions of preferred shares in cash or common stock in accordance with the terms of the preferred shares and that decision will be made on an individual conversion or redemption basis.** Any cash proceeds will be remitted based upon instructions provided on this form. The default payment method is via check. A wire can be requested, but a \$100 fee will be deducted from the payment to the shareholder. ACH is not permitted. If proceeds are in the form of common stock, a DWAC (Deposit / Withdrawal at Custodian) of shares will be remitted based upon instructions provided on this form. On this form, please check an option for both stock or cash payments. Physical certificates will not be remitted to the investor. APLD's transfer agents may coordinate further with institutions based upon the information provided to properly deliver cash or shares of common stock.

In addition, you may use this form to request that your conversions or redemptions be processed over the next four, eight, or twelve conversion or redemption deadlines, as applicable (see Alternative Conversion / Redemption Processing Option in the "Conversion / Redemption Request" section below). The price of APLD's common stock may fluctuate significantly and therefore selection of the Alternative Conversion / Redemption Processing Option will result in averaging over a variety of settlement rates.

All Conversion requests must include:

- This form must be completed with a Medallion Stamp Guarantee,
- Signatures of all required investors, and
- A recent account statement showing where the preferred shares are being held.

Trust Conversions require the same as above as well as:

- A copy of the Trust Documents.

- A copy of the death certificate;
- Submission of this form by an authorized representative(s) of the deceased with signature(s), and
